TIME IS OF THE ESSENCE WITH RESPECT TO THE PERFORMANCE OF EACH OF THE COVENANTS AND AGREEMENTS SET FORTH HEREIN.

1. **DEFINITIONS.** As used in this Purchase Order, the below terms shall have the following meanings: (a) "Contractor" or "Buyer" means the legal entity purchasing the supplies/services; (b) "Subcontractor," "Seller," "Supplier," or "Vendor" means the legal entity that has entered into this agreement with the Buyer; (c) "Contract," "Subcontract," "Purchase Order," "Agreement," and "Order" (whether capitalized or not) are used interchangeably and refer to this contractual instrument.
2. **ACCEPTANCE OF PURCHASE ORDER.** The purchase order, to which these terms are attached, becomes a binding contract on the terms set forth herein when it is accepted by Seller either in written acknowledgement of this Purchase Order or by part performance hereof. No condition stated by Seller in accepting or acknowledging this Purchase order shall be binding upon Buyer if it is in conflict with, is inconsistent with, or is in addition to the Terms and Conditions contained herein unless expressly accepted in writing by the Buyer.
3. **APPLICABLE LAW.** This Purchase Order shall be governed by and construed in accordance with the laws of the State of California.
4. **COMPLIANCE WITH LAWS.** Seller shall comply with all applicable federal, state, and local laws, rules, regulations and orders. Seller agrees to indemnify and hold Buyer harmless against any loss or liability due to Seller's violation or noncompliance with such laws, rules, regulations, and orders.
5. **SUBCONTRACT.** Seller shall not subcontract any portion of the work without the prior written consent of Buyer. This shall not apply to standard commercial items or raw materials.
6. **WARRANTY.** Seller represents and warrants (1) that all goods delivered pursuant hereto will be new, unless otherwise specified, and free from defects in material and workmanship; (2) that all goods will conform to applicable specifications, drawings, and standards of quality and performance, and that all items will be free from defects in design and suitable for their intended purpose; and (3) that all services performed pursuant hereto will be performed in accordance with the specifications and instructions of Buyer, provided nevertheless that Seller retain discretion and control with respect to the manner and means of performing such services and shall at all times remain an independent contractor. All the representations and warranties of Seller together with its service warranties and guarantees, if any, shall run to Buyer and Buyer's customers. The foregoing warranties shall survive any delivery, inspection, acceptance or payment by Buyer.
7. **INDEMNITY.** Seller agrees to indemnify and hold Buyer harmless from all claims, liability, loss, damage and expense incurred or sustained by Buyer by reason of any breach of any warranty with respect to the goods or services which are purchased in accordance herewith.
8. **WORK ON BUYER'S OR BUYER'S CUSTOMER'S PREMISES.** If this order requires Seller to perform work on Buyer's or Buyer's customer's premises, Seller shall take all necessary precautions to prevent any injury to persons or damage to property during the progress of such work. Except to the extent that any injury to persons or damage to property is due solely and directly to Buyer's or its customer's fault or negligence, Seller agrees to indemnify Buyer and its customer against all loss or liability resulting from any act or omission of Seller, its employees, agents, or subcontractors.
9. **TAXES.** The price of the supplies/services procured hereunder includes all applicable federal, state, and local taxes and duties unless otherwise stated in the Purchase Order.
10. **PACKAGING AND PACKING.** Seller shall be responsible for properly packing and packaging the supplies in suitable containers for protection during shipment in accordance with transportation regulations and good commercial practice.

11. TITLE AND RISK OF LOSS. The F.O.B. point shall be the delivery destination indicated in this order, and title to the supplies and risk of loss or damage shall pass to Buyer upon Buyer's acceptance of the supplies regardless of where Buyer takes physical possession.
12. INSPECTION AND TEST. All goods supplied and services performed pursuant hereto shall be subject to inspection and test by Buyer and its agents. If a defect exists and if Seller is unable or refuses to replace the goods or render the service again promptly, Buyer may terminate those sections of the contract for cause and replace such goods or obtain such services and charge Seller, or deduct from amounts owed by Buyer to Seller, the costs, expenses and losses including incidental and consequential damages incurred thereby which are in excess of Seller's price for such goods or services. After notification to Seller that goods are defective, all risk of loss with respect to such goods shall be in Seller and Seller shall pay all packing and shipping charges in connection with defective goods returned by the Buyer. Buyer's approval of design furnished by Seller shall not relieve Seller of its obligations herein. All rights and remedies of the Buyer hereunder shall be in addition to any other remedies provided by law.
13. DELIVERY. Seller agrees that time is of the essence in the performance of this Purchase Order. It is Seller's responsibility to furnish the quantity of supplies/services called for in this order. No variation in the quantity specified herein will be accepted as compliance with this order. Buyer reserves the right to return excess shipments at Seller's expense. Seller agrees to advise Buyer, as soon as possible, of any delays in meeting the order delivery schedule and the reasons therefore. If a delay is due to causes beyond Seller's and, when applicable, its subcontractor's control, and without fault or negligence of either of them, Buyer may, at its sole discretion, either adjust the delivery schedule or terminate the order for convenience. If the delay is due to Seller's, or its subcontractor's, failure and the failure is not cured within ten (10) days after Seller's receipt of Buyer's notice thereof, Buyer may, at its sole discretion, either accept a revised delivery schedule and an equitable reduction in the order price or terminate the order for default. Acceptance of late deliveries shall not constitute a waiver thereof by Buyer.
14. INVOICES. An itemized invoice shall be submitted to the address shown on the face of the order to the attention of the Accounts Payable Department. The invoice should contain the Purchase Order number, description of supplies/services furnished, quantity, unit prices, and total price. Approval and payment of invoices may be delayed pending correction of any errors or omissions.
15. PATENT, COPYRIGHT, AND TRADEMARK INDEMNITY. Seller shall at its expense indemnify and defend Buyer and Buyer's successor in interest to the goods (collectively called "Buyer") against any claim, suit or proceeding (collectively called "suit") brought against Buyer which is based upon a claim, whether rightful or otherwise, that the goods or services, or any part thereof, furnished under this order, or Buyer's use (including resale) thereof, constitutes an infringement of any patent, trademark, or copyright in the United States, if Seller is given reasonable notice of such suit; and Seller shall pay all damages and costs awarded against and reasonable expenses incurred by Buyer in connection with such suit. In case the goods or services or use thereof is in such suit held to constitute infringement and the use thereof is enjoined, Seller shall at its expense and at its option either procure for Buyer the right to continue the use of such goods or services; or in a manner acceptable to Buyer make replacement or modification to avoid infringement. The foregoing indemnity shall not apply, and Buyer shall indemnify and defend Seller if given notice and in the same manner and extent as provided above where such goods or services are allegedly infringing as a result of Seller's compliance with specified written instructions by Buyer directing use by Seller of a feature not customarily used by Seller.
16. CHANGES. Buyer shall have the right at any time to make changes in quantities; provided drawings, designs, specifications; materials; packaging; time of delivery; place of delivery; method of transportation; and any other terms of this Purchase Order. If any such changes cause an increase or decrease in the cost of, or time required for performance under this Purchase Order, Seller shall have ten (10) days to request, in writing, adjustments to the price and/or delivery schedule for material ordered or service provided directly affected by Buyer's changes. To the extent that Buyer agrees to such adjustments, Buyer will revise this Purchase Order in writing accordingly. Any request by Seller for adjustments under this clause shall be deemed waived if not asserted within ten (10) days or if Seller commences performance of the change without objection to such terms. Failure to timely request an adjustment shall not excuse Seller from performing in accordance with the revised Purchase Order.

No such adjustment or any other modification of the terms of this Purchase Order will be allowed unless authorized by Buyer by means of a written revision to this Purchase Order.

17. DISPUTES. Any dispute arising under this order that is not settled by agreement between the parties may be settled by appropriate legal proceeding in the courts of the State of California. Pending final resolution, Seller shall proceed, in all good faith, with the performance of this order in accordance with Buyer's instructions.

18. TERMINATION

- a. FOR CONVENIENCE – Buyer reserves the right to terminate, upon written notice, this Purchase Order, in whole or in part. In the event of such termination, Seller shall immediately stop all work hereunder, and shall immediately cause any suppliers or subcontractors to cease such work.
 - b. FOR DEFAULT. Buyer may, without liability, and in addition to any other rights or remedies provided herein or by law, terminate this order in whole or in part by written notice of default if Seller: (a) fails to deliver the supplies or perform the services within the time specified; (b) fails to make sufficient progress with the work, thereby endangering completion of performance within the time specified; or (c) fails to comply with any of the other instructions, terms, or conditions. Buyer's right to terminate for default may be exercised if Seller does not cure the failure within ten (10) days after receiving Buyer's notice of such failure. If Buyer terminates this order in whole or in part, Buyer may purchase similar supplies or services from others and Seller shall be liable for any additional costs above the original price for the terminated supplies/services. In the event of a partial termination, Seller shall continue the work not terminated. Seller shall not be liable for any additional costs if failure to perform arises from causes beyond Seller's or Seller's subcontractor's control and without fault or negligence of either of them; provided, however, that the supplies/services to be furnished by Seller's subcontractor (at any tier) were not obtainable from others in time for the Seller to meet the order delivery requirements. Buyer shall pay Seller the order price for any completed supplies/services delivered and accepted.
19. SELLER CONTACTS WITH BUYER'S CUSTOMER. If Seller is a subcontractor to Buyer under a Buyer prime contract, Buyer shall be responsible for all liaison and communications with Buyer's customer for the term of this Purchase Order. Seller shall not communicate with Buyer's customer regarding this Purchase Order unless authorized to do so by Buyer.
20. BUYER'S PROPERTY AND INFORMATION. Any property furnished to Seller for performance of the work shall remain the property of Buyer, shall be considered private and confidential Buyer information, and shall not be given to others not having a need-to-know or used by Seller for its own purposes. Upon order completion, all Buyer furnished property shall be returned to the Buyer in the same condition as received, allowing for reasonable wear and tear, except to the extent that the property has been incorporated into supplies delivered or consumed in the performance of the work.
21. UNAUTHORIZED CHANGES TO SUPPLIES/SERVICES. Seller shall make no changes affecting form, fit, or function of the supplies without Buyer's prior written approval. Any approvals by Buyer shall not relieve Seller of responsibility for any errors or deficiencies that may exist, or for performing the work and furnishing the supplies/services in strict accordance with the Purchase Order requirements.
22. USE OF DATA. Seller shall not deliver or furnish any data subject to limited use of reproduction unless and until an agreement to hold in confidence or restrict distribution is accepted in writing by an authorized representative of Buyer. THE FOREGOING LIMITATION OF LIABILITY SHALL APPLY NOTWITHSTANDING THE FAULT, NEGLIGENCE OR OTHER THEORY OF LIABILITY WHICH MAY BE ASSERTED AGAINST THE PARTY WHOSE LIABILITY HAS BEEN LIMITED.
25. WAIVER OF RIGHTS. Failure of either party to insist on performance of any provision of this Purchase Order shall not be construed as a waiver of that provision or a waiver of Buyer's or Seller's right to require compliance with such provision in any later instance.
26. SEVERABILITY. If any provision of this Purchase Order is found to be illegal or unenforceable under law, that provision shall be deleted; however, all other provisions of this Purchase Order shall not be affected thereby, and shall remain in full force and effect.

27. ORDER OF PRECEDENCE. This Purchase Order and the Terms and Conditions constitute the entire agreement between Buyer and Seller regarding this procurement and supersedes all previous written or oral agreement and commitments. No terms or conditions of sale set forth in Seller's quotation or acknowledgment shall be included as a part hereof, nor shall any prior course of dealing, custom, or usage in the trade supersede or modify any Purchase Order provisions. Any subsequent additions, deletions or modifications to this agreement shall not be binding upon the parties unless same are mutually agreed upon and incorporate herein in writing.
29. EXPORT REQUIREMENTS. The receiving Party shall not export any information furnished by the disclosing party without first complying with all requirements of the International Traffic in Arms Regulations (ITAR) and the Export Control Administration Act including the requirement for obtaining any export license, if applicable.
