## **KEVIN ENGELHARDT APPOINTED AS CHIEF OPERATING OFFICER FOR SES**

UNIONTOWN, OHIO - Securitas Electronic Security, Inc. (SES) is pleased to announce that Kevin Engelhardt has been appointed as Chief Operating Officer (COO). Prior to COO, Kevin served as Executive Vice President, Field Operations and Enterprise Solutions.

Prior to Securitas, Engelhardt served as Vice President, Field Operations North America, Diebold Electronic Security. Kevin joined Diebold in 2004, when Diebold acquired Antarcom, a top tier regional systems integration company, where he served as the Chief Financial Officer. He has nearly 20 years of senior operations and financial management experience in the electronic security industry. His intense focus on operational excellence continually drives client satisfaction and business results.

“Kevin has the operational expertise, business acumen and proven leadership to lead SES’s daily operations to meet the needs of our clients,” said Tony Byerly, president & CEO, Securitas Electronic Security. “He has a deep understanding of the overall business and a track record of success in his prior roles with the company. In his expanded role, Kevin will focus more closely on day-to-day operations and P&L leadership across the business, in addition to leading our field operations.”

Engelhardt holds a bachelor's degree in business administration and a master's degree in business administration from Iona College in New Rochelle, New York.

### **About Securitas Electronic Security, Inc.**

Part of Securitas, Securitas Electronic Security, Inc. (SES) is one of the top alarm monitoring and systems integration commercial security companies in North America. As a leader in electronic security, SES offers a full portfolio of intrusion, fire, video, access and integrated systems, leveraging centralized processes and a programmatic approach to ensure operational excellence across the five customer touchpoints: account management, installation, service repair, alarm monitoring and billing. Specialized in serving regional, national and global companies, SES has a network of UL, ULC, UL2050 and TMA Five Diamond certified monitoring centers providing a comprehensive array of services coast-to-coast.
