## **Securitas Electronic Security acquires customer contracts of iVerify™**

UNIONTOWN, OHIO - Securitas Electronic Security, Inc. (SES)

Securitas Electronic Security, Inc. (SES) has acquired the customer contracts and certain select assets of iVerify.US Inc. (iVerify™). The acquisition supports Securitas' stated strategy of building its electronic security business in North America.

*"We are excited to welcome iVerify's clients to the SES client portfolio in North America. These clients align very well with our existing business operations and strategic focus, enabling us to bring our SES services and operational excellence to best serve these clients coast to coast in the U.S. and Canada,"* commented Tony Byerly, President and CEO, Securitas Electronic Security, Inc.

### **About Securitas Electronic Security, Inc.**

Part of Securitas, Securitas Electronic Security, Inc. (SES) is one of the leading commercial alarm monitoring and systems integration security companies in North America. As a leader in electronic security, SES offers a full portfolio of intrusion, fire, video, access and integrated systems, leveraging centralized processes and a programmatic approach to ensure operational excellence across the five customer touchpoints: account management, installation, service repair, alarm monitoring and billing. Specialized in serving enterprise customers, including regional, national and global companies, SES has a network of UL, ULC, UL2050 and TMA Five Diamond certified monitoring centers providing a comprehensive array of services coast-to-coast.
